Uniform Rules

Full correct uniform is to be worn to, from and at school; when students are identifiable as Hillmorton High School students in a public place or at a function where the wearing of school uniform is required.

If a student is unable to wear a full correct uniform, a note from parents/caregivers must be received by a Deputy Principal, Head of Year or Team Leader. Where possible, the school will supply uniform items on a short-term basis if necessary. A temporary uniform permit may be available.

Non-uniform items may be confiscated by staff and be returned to parents/caregivers by negotiation. Hats are not to be worn inside.

Sports uniform is for sport teams only and is not to be worn throughout the ordinary school day.

No non-regulation shirts/blouses are permissible, and any garments worn under the white shirt should not be visible with the exception of a white t-shirt or white thermal, which may only show at the neckline.

Year 13 Dress Code

Year 13 students are not required to wear the school uniform. This practice seeks to recognise the transition to the world of work or study.

At this level, the school respects individual differences and taste but Year 13 students need to be mindful of the leadership role they have in the wider school.

- Student dress must be appropriate for a work or school environment, and always clean and tidy. The following are not considered suitable: singlets, inappropriate messages and slogans on any garments, ripped or holed clothing. Brief or skimpy clothes are not acceptable, adequate coverage is expected.
- Footwear is required to be worn at all times. Jandals are not acceptable footwear. For health and safety reasons covered footwear is required in specialist classrooms.
- Hats are not to be worn inside.
- Jewellery is acceptable if it is discreet and appropriate for a more formal work environment.
- Body piercing, which is externally visible, is considered inappropriate in the school environment. Lip, chin and eyebrow rings/studs are not to be worn, one small, discreet stud be allowed in the nose however, it would need to be removed when safety is of concern eg. sporting activities.
- Hair should be clean, well-groomed, clear of the face, and tied back if necessary.
- Facial hair is allowed but must be clean, groomed and tidy, is permitted on the face only and must not extend onto the neck.
- Students may wear makeup if it is light, discreet and appropriate for a work environment.
- Sports uniform is for sport teams only and is not to be worn throughout the ordinary school day.
